

Poetry Appreciation

My friends,

You have taken the first step in your journey. I am glad and I am confident that justice shall be mine.

Things get harder from here on out. You will need all your wits and all your resources to succeed. Question every aspect of every puzzle and probe it for meaning, significance, and a hidden message.

Good luck,

Mr. Boddy

P.S. Below are two more pieces of evidence. Mr. Green was not the murderer. And it did not happen in the lounge. You'll find more evidence in this process of elimination as you go.

P.P.S. Go ahead and eat the Oreos. You won't need them again.
